Data Sources, References

Data Sources

Figures 1a and 1b. 2009-2012 Live Births, Fetal Deaths, and Deaths: Louisiana Center for Health Statistics.

Figure 4. Employment, poverty, and educational attainment data are from American Community Survey 5-year estimates 2009-2013. Birth outcomes are from analysis of Louisiana live birth records 2011-2012.

Figure 5. Employment, and educational attainment data by race are from American Community Survey 5-year estimates 2009-2013. Professional/managerial employment data are from the Louisiana Workforce Commission 2013 Report, available at http://www.laworks.net/Downloads/Employment/AffirmativeActionPublication_2013.pdf. Political participation data are from the Louisiana Secretary of State Post Election Statistics for November 2012 election, available at <http://www.sos.la.gov/ElectionsAndVoting/Pages/PostElectionStatisticsParish.aspx>. Birth outcomes are from analysis of Louisiana live birth records 2011-2012.

Figure 6. Medicaid Quality Management, Statistics and Reporting. Louisiana Department of Health and Hospitals.

Figure 7. Concentrated disadvantage is derived from indicators in American Community Survey 5-year estimates 2009-2013. Birth outcomes are from analysis of Louisiana live birth records 2011-2012.

Figure 8. Racial residential segregation is estimated from indicators in American Community Survey 5-year estimates 2009-2013. Birth outcomes are from analysis of Louisiana live birth records 2011-2012.

Figure 9a and 9b. Estimates of violent crime rates are from the City of New Orleans Police Department. Birth outcomes are from analysis of Louisiana live birth records 2011-2012.

Figure 10. Estimates of the Louisiana state population by race are from American Community Survey 5-year estimates 2009-2013. Estimates of the Louisiana medical school population by race are from the Kaiser Family Foundation, Distribution of Medical School Graduates by Race/Ethnicity. Available at: <http://kff.org/other/state-indicator/distribution-by-race-ethnicity/>

Figure 11. Louisiana Pregnancy Risk Assessment and Monitoring Survey, 2012.

Figure 12a and 12b. Birth outcomes and maternal educational attainment by race are from analysis of Louisiana live birth records 2011-2012.

Figure 13a and 13b. Birth outcomes and maternal insurance type by race are from analysis of Louisiana live birth records 2011-2012.
